WHO ARE WE?

WELCOME TO EL DJAZAIRI

El Djazairi is a family-owned Algerian restaurant with extensive experience in traditional cuisine and pastry. Located in Mecca, our goal is to offer you the authentic flavors of Algeria, with a focus on exclusive delivery service.

At El Djazairi, we do not offer on-site service. We are fully dedicated to delivering our delicious meals to satisfy travelers, whether they come for Hajj, Umrah, or other reasons, as well as locals and visitors from around the world who wish to discover or rediscover the treasures of Algerian cuisine.

Our traditional dishes, carefully prepared with quality ingredients, along with our homemade pastries, provide a true immersion in the richness of our culinary heritage. Through every bite, we are passionate about sharing the soul of Algeria with you, wherever you are, while offering a touch of our hospitality.

At **El Djazairi**, quality is at the heart of our offerings. We carefully select the finest ingredients to provide our customers with exceptional products.

Our treats (our oriental pastries and delicious chocolate-covered stuffed dates) are made from ingredients carefully chosen for their freshness and authenticity. Each bite is a true taste experience that transports you to the heart of oriental flavors, with a touch of refinement.

Our natural products (honey, olive oil, peanut butter, etc.) are selected for their purity and quality. We work with trusted producers to bring you authentic, natural, and flavorful products. These treasures of nature are a testament to our commitment to offering you the best.

We ensure that every product, whether a sweet treat or a natural product, meets our strictest standards.
